\$30 REWARD.

RAN-WAY.
From the subscriber on the 15th instant, my negro girl named HARRIET PHILIPS, about 13 years of age, rather dark complexion, four feet 4 or 5 inches high, often spoken to stammers, (at times) very much, has a wart on one of her hands; she had on when she absconded a homemade frock, a blue and striped petticoat, and a pair of blue yarn stockings. I have no doubt but she will change her clothing. As I have every reason to believe that she was induced to abscond by her father, Charles Phillips, who is in the habit of attending the Baltimore markets in the summer with Crabs, I think it very likely that she will be conveyed to Bal- timore by her father, probably in a box or cask. Any one taking up the above described Girl, so that I get her again, shall receive the above reward, if taken in Anne Arundel or Baltimore county, if taken out of the above counties \$30 reward.

PUBLISHED
By Subscription.

THE DECISIONS

OF THE
COURT OF APPEALS OF MARYLAND.

To be Reported by Thomas Harris, Esquire, Clerk of the Court of Ap- peals, and Reverdy Johnson, Esquire, Attorney at Law.

These Decisions will form a conti- nuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hun- dred and twenty five pages; and four numbers to constitute a volume. The last number of each volume will con- tain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publish- ing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS
The price of each number of the Reports will be \$1 25, payable on de- livery.

* * * Subscriptions to the above works are received at GEO. SHAW'S Store, the Maryland Gazette Office, and the respective Offices of the Coun- ty Clerks of this State.

PROPOSAL

FOR PRINTING
The Journals of the Conventi- ons of the Province of Mary- ryland,

Held in the City of Annapolis, in the years 1774, 1775 and 1776.

IF Sufficient encouragement be- ferred, the Subscriber proposes to publish, in one volume octavo, the Journals of the Conventions of the Province of Maryland in the years 1774, '75 and '76. It is believed that there are more than two copies of these Jour- nals now extant; and from the circum- stances that they were printed in part, and unbound, it may be con- cluded that they, too, must in a few years be destroyed by the mere elapse of time. These Journals are the authentic evidence of the Political history of Maryland, during that in- teresting and unquiet period. Al- though we have, in abundance, histories of Maryland, as connected with the cession of Provinces and Colonies, that time formed, for mutual pro- fit, yet none of these works em- brace what may be termed its Domestic Internal Political History.
